

INTERNATIONAL ACADEMY OF ENGLISH

Newport Beach

Student Prospective Guide

MISSION STATEMENT

The mission of the International Academy of English is to provide non-native speakers with quality English language instruction in order to help them read, write, speak and understand English at increasing levels of proficiency. We prepare students to communicate effectively in English in a friendly and supportive learning environment.

Program Overview

The International Academy of English (IAE) is an intensive English program that offers five levels of instruction and a TOEFL Preparation course. Each level is taught throughout an 18-week term which is subdivided into two 9-week sessions (Sessions A and B). Completion of all five levels takes 18 months. If students fail, they can go through the term in the same level one more time provided they are making academic progress. The main objective of the Intensive English Program is to help students read, write, listen and speak in increasing levels of proficiency so that they can fulfill their academic and professional goals. Most of our students have the objective of being admitted to undergraduate or graduate courses in public colleges or universities. Students also want to learn English for professional reasons, such as getting a job or being promoted. Our primary instructional approach is skill-based as we place students according to their skill level in which we offer specific classes to help students enhance their reading, writing, listening and speaking skills. Our methodological approach is communicative since students learn the target language through interaction with their peers, teachers, and the outside community. As for our TOEFL program, the main objective of the course is to prepare students to be successful in the TOEFL test and to be admitted to the college or university program they apply to. The TOEFL Preparation course is also offered throughout an 18-week term and students can choose to repeat the TOEFL Preparation course if they have not attained their goal on the TOEFL exam by the end of the class.

Student Tuition Recovery Fund

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary and Vocational Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party."

Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, P.O. Box 980818, West Sacramento, CA 95798-0818, www.bppe.ca.gov, 1-800-370-7589.
