Program Overview

The International Academy of English (IAE) is an intensive English program that offers five levels of instruction and a TOEFL Preparation course. Each level is taught throughout an 18-week term which is subdivided into two 9-week sessions (Sessions A and B). Completion of all five levels takes 18 months. If students fail, they can go through the term in the same level one more time provided they are making academic progress. The main objective of the Intensive English Program is to help students read, write, listen and speak in increasing levels of proficiency so that they can fulfill their academic and professional goals. Most of our students have the objective of being admitted to undergraduate or graduate courses in public colleges or universities. Students also want to learn English for professional reasons, such as getting a job or being promoted. Our primary instructional approach is skill-based as we place students according to their skill level in which we offer specific classes to help students enhance their reading, writing, listening and speaking skills. Our methodological approach is communicative since students learn the target language through interaction with their peers, teachers, and the outside community.

As for our TOEFL program, the main objective of the course is to prepare students to be successful in the TOEFL test and to be admitted to the college or university program. The TOEFL Preparation course is also offered throughout an 18-week term and students can choose to repeat the TOEFL Preparation course if they have not attained their goal on the TOEFL exam by the end of the class.

The International Academy of English does not require an English proficiency since its program is designed properly to teach English for foreign students in all levels of instruction.

METHODS OF EVALUATION (STUDENT LEARNING OUTCOME MEASUREMENT)

1. Regularly scheduled achievement tests are given in each of the three classes. Your percentage on the test will be converted to a 0–4 score. (See table below). **The achievement tests equal 50% of your grade.**

4	90 – 100%
3	75 – 89%
2	60 – 74%
1	51 – 59%
0	0 – 50%

2. Final Course Exam when the student has completed one rotation (18 weeks in Sessions A and B) in this level. **This equals 50% of your grade.**

Note 1: In order to pass, your scores for the regularly scheduled achievement tests and the final course exam must be at least **75%**. Also, students must have mastered the items on the IAE Proficiency Scale (in the *Student Handbook*) in order to pass to the next level.

Note 2: Assessments must be taken as scheduled unless prior arrangements have been made with the instructor. Notify your teacher in advance if you know you will be absent to see if make-up arrangements can be made.

Note 3: Students may schedule an Early Exit Exam if they meet the following criteria: (1) Their teacher recommends that they take the exam based on their English skills in relation to the Proficiency Scale for their level. (2) They have been in the class for at least 9 weeks after the Placement Test or at least 4 weeks after their last Final Course Exam. (3) They have an average of 80% on their achievement tests since their Placement Test or Final Course Exam, whichever is applicable. A passing score on the Early Exit Exam is **80%** or more. Students may not take the Early Exit Exam more than once per session.

Note 4: Each week, students will receive 0-4 points for participation in their Grammar class and Reading/Writing class and 0-4 points for participation in their Listening/Speaking class, for a total of 8 possible participation points per week. **Participation will help students make the required academic progress. Participation points will also be used to help determine whether students who fail a level will be allowed to repeat it.**

Note 5: When students voluntarily leave our program 4 or more weeks after their original placement test or their last final course exam or early exit test, they must take our exit exam during the regularly scheduled placement test time in order to receive a certificate/letter. This will show the student, and the school, his/her progress since the original placement test.

Note 5: When students voluntarily leave our program 4 or more weeks after their original placement test or their last final course exam or early exit test, they must take our exit exam during the regularly scheduled placement test time in order to receive a certificate/letter. This will show the student, and the school, his/her progress since the original placement test.

COURSE REQUIREMENTS

Attendance Requirements

Students must follow the rules of attendance as outlined by the school in the *Student Handbook*. Students may be marked as absent if they leave the classroom for personal reasons (e.g., for telephone usage) or without permission. If students refuse or are unable to participate (e.g., sleeping in class), they will be asked to leave the class and will be marked absent. Class participation includes attendance, homework completion, class projects, and writing assignments, as well as actual participation in class discussions/activities. Late assignments will be accepted at the instructor's discretion.

Late Arrival Policy

Students are expected to be in class on time. If they arrive within the first 15 minutes of class of the first class ONLY, they will be marked tardy. Three tardies within one week equal one absence. If they arrive after 9:15 am, they will not be allowed in class and will be marked absent for that class period.

IMPORTANT: Students who arrive at 9:16 a.m. or later are not allowed into the class until after the break. Students are expected to be in class on time after any breaks. If they are late, they will only be admitted to the class during the first 5 minutes and ONLY at the teacher's discretion. If a student arrives to any class more than 5 minutes late after a break, that student will not be allowed into the class and will be marked absent. Any student leaving school during class or during a break (and not returning) likewise will be marked absent.

IMPORTANT: Except under legitimate mitigating circumstances, if a student leaves the class early, s/he will be marked absent for the entire class period.

Evaluation

See "Methods of Evaluation" above.

Prerequisites

Appropriate score on the initial student placement test or passing from the Beginning level. No co-requisites are required.

Completed Assignments

Each student is responsible for completing all assignments on time.

Final Course Exam

When a student is nearing 18 weeks in the level, s/he must schedule an appointment with the Head Teacher, Site Director, or Academic Director to take the Final Course Exam in his/her 18th week of class. When the student has demonstrated mastery of the skills in the Proficiency Scale by means of class work and the Final Course Exam, s/he passes to the next level. If the student is not able to come to his/her appointment, it is his/her responsibility to make arrangements with the Head Teacher, Site Director, or Academic Director for an alternate time.

For example: If a student starts High Beginning in week 5 of Session A, s/he must complete Session A and then take Session B. Then the student will start Session A again. In week 4 of Session A, s/he is required to take the Final Course Exam (since that will be the 18th week since s/he started that class).

Normal Academic Progress

In order to ensure that all students are making satisfactory academic progress, a student may not remain in the same level or repeat the course curriculum for more than two rotations.* (One rotation is one 18-week cycle beginning in either Session A or Session B). Students will be given a written report of their progress at the end of their 18-week rotation during a counseling session with one of the following: the student's classroom instructor, head teacher, site director, or academic director. Failure to maintain satisfactory academic progress will result in termination from the program. The decision about whether students will be allowed to repeat a level will be made on a case-by-case basis based on their demonstrated effort in their first 18 weeks.

*except under unusual circumstances approved by the academic director

High Beginning Level:

Students at the IAE High Beginning Level have some familiarity with English but are still beginners. You will learn and practice grammar, reading, writing, listening, and speaking as you work toward fluency in English.

Please see the IAE Proficiency Scale for an overview of the skills that must be mastered at this level in order to pass to the next level.

METHODS OF EVALUATION (STUDENT LEARNING OUTCOME MEASUREMENT)

1. Regularly scheduled achievement tests are given in each of the three classes. Your percentage on the test will be converted to a 0–4 score. (See table below). **The achievement tests equal 50% of your grade.**

4	90 – 100%
3	80 – 89%
2	60 – 79%
1	50 – 59%
0	0 – 49%

2. Final Course Exam when the student has completed one rotation (18 weeks in Sessions A and B) in this level. **This equals 50% of the grade.**

Note 1: In order to pass, scores for the regularly scheduled achievement tests and the final course exam must be at least **75%**. Also, students must have mastered the items on the IAE Proficiency Scale (in the *Student Handbook*) in order to pass to the next level.

Note 2: Assessments must be taken as scheduled unless prior arrangements have been made with the instructor. Notify the teacher in advance if you know you will be absent to see if make-up arrangements can be made.

- Note 3:* Students may schedule an Early Exit Exam if they meet the following criteria: (1) Their teacher recommends that they take the exam based on their English skills in relation to the Proficiency Scale for their level. (2) They have been in the class for at least 9 weeks after the Placement Test or at least 4 weeks after their last Final Course Exam. (3) They have an average of 80% on their achievement tests since their Placement Test or Final Course Exam, whichever is applicable. A passing score on the Early Exit Exam is **80%** or more. Students may not take the Early Exit Exam more than once per session.
- Note 4:* Each week, students will get 2 points for attendance/class participation and 2 points for doing the homework assignments, which is a total of 4 points per week. **Participation will help you to make the required academic progress.**
- Note 5:* When students voluntarily leave our program 4 or more weeks after their original placement test or their last final course exam or early exit test, they must take our exit exam during the regularly scheduled placement test time in order to receive a certificate/letter. This will show the student, and the school, his/her progress since the original placement test.

COURSE REQUIREMENTS

Attendance Requirements

Students must follow the rules of attendance as outlined by the school in the *Student Handbook*. Students may be marked as absent if they leave the classroom for personal reasons (e.g., for telephone usage) or without permission. If students refuse or are unable to participate (e.g., sleeping in class), they will be asked to leave the class and will be marked absent. Class participation includes attendance, homework completion, class projects, and writing assignments, as well as actual participation in class discussions/activities. Late assignments will be accepted at the instructor's discretion.

Late Arrival Policy

Students are expected to be in class on time. If they arrive within the first 15 minutes of class of the first class **ONLY**, they will be marked tardy. Three tardies within one week equal one absence. If they arrive after 9:15, they will not be allowed in class and will be marked absent for that class period.

IMPORTANT: Students who arrive at 9:16 a.m. or later are not allowed into the class until after the break. Students are expected to be in class on time after any breaks. If they are late, they will only be admitted to the class during the first 5 minutes and **ONLY** at the teacher's discretion. If a student arrives to any class more than 5 minutes late after a break, that student will not be allowed into the class and will be marked absent. Any student leaving school during class or during a break (and not returning) likewise will be marked absent.

IMPORTANT: Except under legitimate mitigating circumstances, if a student leaves the class early, s/he will be marked absent for the entire class period.

Evaluation

See "Methods of Evaluation" above.

Prerequisites

Appropriate score on the initial student placement test or passing from the Intermediate level. No co-requisites are required.

Completed Assignments

Each student is responsible for completing all assignments on time.

Final Course Exam

When a student is nearing 18 weeks in a level, s/he must schedule an appointment with the Head Teacher, Site Director, or Academic Director to take the Final Course Exam in his/her 18th week of class. When the student has demonstrated mastery of the skills in the Proficiency Scale by means of class work and the Final Course Exam, s/he passes to the next level. If the student is not able to come to his/her appointment, it is his/her responsibility to make arrangements with the Head Teacher, Site Director, or Academic Director for an alternate time.

For example: If a student starts High Intermediate in week 5 of Session A, s/he must complete Session A and then take Session B. Then the student will start Session A again. In week 4 of Session A, s/he is required to take the Final Course Exam (since that will be the 18th week since s/he started that class).

Normal Academic Progress

In order to ensure that all students are making satisfactory academic progress, a student may not remain in the same level or repeat the course curriculum for more than two rotations.* (One rotation is one 18-week cycle beginning in either Session A or Session B). Students will be given a written report of their progress at the end of their 18-week rotation during a counseling session with one of the following: the student's classroom instructor, head teacher, site director, or academic director. Failure to maintain satisfactory academic progress will result in termination from the program. The decision about whether students will be allowed to repeat a level will be made on a case-by-case basis based on their demonstrated effort in their first 18 weeks.

*except under unusual circumstances approved by the academic director

Advanced Level:

Students at the IAE Advanced Level have a solid foundation in grammar and the four basic language skills of listening, speaking, reading, and writing. You will demonstrate your nuanced understanding of and responses to main ideas, supporting details, and discourse strategies in extended oral and written discourse. You will recognize and actively use appropriate advanced-level vocabulary and adapt your communication so that it will be perceived as intended.

Please see the IAE Proficiency Scale for an overview of the skills that must be mastered at this level in order to pass this course.

Evaluation

See “Methods of Evaluation” above.

Prerequisites

Placement in the IAE Advanced level. No co-requisites are required.

Completed Assignments

Each student is responsible for completing all assignments on time.

Final “Practice” Exam

Each student must take the exam in week 9 that covers the material in the first 8 weeks. If the student cannot attend on the assigned day, it is his/her responsibility to make arrangements with the Head Teacher or Site Director for an alternate time.

Normal Academic Progress

In order to ensure that all students are making satisfactory academic progress, a student may not remain in the TOEFL class for more than two 9-week sessions. Students will be given a report of their progress at the end of each 9-week session during a counseling session with their instructor. Failure to maintain satisfactory academic progress may result in early termination from the program.

Placement & Orientation Procedures

Before the program begins according to students' chosen starting date, students are given a level placement test, which includes grammar, listening/speaking, reading / writing to determine their English language skills. Placement testing is done once per week. On the same day of placement testing, all new students are required to participate in a general orientation session to review several important topics such as schedules, books and materials, attendance policy, academic advancement, and other related matters. The importance of having health insurance while you are in the U.S. will also be stressed.

Based on the results of the placement test, students are enrolled in the appropriate level of instruction as determined by the IAE Academic Director, Site Director, Head Teacher, and/or other designated instructor. On rare occasions, students who feel they have been placed at an inappropriate level may be able to move up or down one level based on the teacher's recommendation, pending approval by the Site Director or Academic Director.

Level Progression

IAE's programs run in 2 sessions of 9 weeks each. Students begin by taking a placement exam the week prior to beginning classes, and all new students begin their studies on Monday. The minimum enrollment period is two (2) weeks, and the maximum enrollment period varies, depending on the level of English skill the student arrives with, the English skill level students want to have when they leave, and the speed at which they progress through the program. Students who successfully achieve IAE's learning objectives are entitled to receive a "Certificate of Participation" when they leave IAE.

The exceptions to this requirement are in the TOEFL class. In order to ensure that all students are making satisfactory academic progress, a student may not remain in TOEFL for more than 4 academic sessions (2 cycles).

Academic Rules and Policies

➤ **Schedule Changes and Withdrawals**

Any student desiring to change his or her class schedule must first obtain permission from the Academic Director, Site Director, or Head Teacher. Such permission is at the discretion of the school. Students on an F-1 visa must also contact the DSO in the event of any student status change.

➤ **Appeals Procedures**

Students who feel that they have been misplaced and/or their current program of study is not in line with their academic objectives may appeal to the Site Director and/or the Academic Director. In these cases, the Site Director and/or Academic Director will speak with the instructor and student individually and make a decision as to the best course of action for the student.

➤ **Normal Academic Progress**

In order to ensure all students are making satisfactory progress, all students are limited to two academic sessions (36 weeks) in each level, except under legitimate mitigating circumstances to be explained to the P/DSO. Students who begin the level in any other week after the first day of each session will take the course until reaches the 18th week of the session to be entitled to take the level exit exam.

Students enrolled in TOEFL preparation class, may not remain in TOEFL for more than 4 academic sessions (36 weeks).

➤ **Completion of Program**

All students on F-1 visas are required to inform the P/DSO of their intention to complete their studies by the last day of their final period of study.

➤ **Vacation/Breaks**

Students are allowed to take 1 break per year but not more than 4 consecutive weeks at a time. Each break consists of 4 weeks and can be taken after 27 weeks of continuous study. Students must take 4 consecutive weeks of vacation at a time. Students will be required to pay tuition before returning from break.

If students are away from the school more than eight consecutive class days, their I-20 will be terminated due to unauthorized withdrawal.

If students plan to transfer to another school, they must provide the DSO with a transfer form and an acceptance letter from the new school. When students complete their studies at IAE, they have 15 days from the date of completion to leave the U.S.

Students must notify the DSO when they plan to travel outside the United States or take a break. Students who do not attend class for more than eight consecutive class days without DSO approval can be terminated.

➤ **Computer Resources**

IAE students have access to computers with Internet access. Students can check their email or access the Internet during their free time. Students are asked not to change the computer settings, use zip drives, download anything that violates copyright law, or open attachments in order to reduce the chance of a virus. In addition, student computers do not have print capabilities.

➤ **Lobby/Kitchen Access**

Students of IAE are encouraged to take advantage of the facility's kitchen area. For downtown San Diego, this includes a coffeemaker, refrigerator, microwave oven, stove/oven, toaster oven, and sink. For Las Vegas East, this includes soda/snack vending machines, a refrigerator, a coffeemaker, microwave oven, and sink. For Las Vegas West, this includes soda/snack vending machines, a coffeemaker, microwave oven, and sink. Students are welcome to bring their lunch and dine in the kitchen area. IAE asks only that students clean up after themselves and that they not leave food in the refrigerator over the weekend.

➤ **Student Services Committee**

Each session one student is chosen by the faculty and staff at each campus to represent the student body on a Student Services Committee to meet in Week 2 or 3. The committee's goal is to address student concerns about the site. In addition to the student representative, the committee includes the Site Director, Head Teacher, DSO, and/or other members as determined by the Site Director.

➤ **Weekly Announcements**

If necessary, announcements are prepared for students to alert them about school policies, important procedures and upcoming events. These announcements may be printed out and/or emailed to students. For major changes to policies or procedures, the announcements will be read during core class, as well. For all other announcements, they will be posted on Facebook and/or read aloud to the class.

International Academy of English Attendance Policy

The International Academy of English (IAE) adheres to a strict attendance policy for all students enrolled and admitted to the United States to study on an F-1 visa. Students studying on F1 visa are expected to attend 100% of their scheduled classes, 20 hours of per week. Failure to maintain 80% attendance will result in termination of student status by the DSO. Tuition is non-refundable if a student is terminated.

- Unofficial reviews occur at the end of the fourth week of study every month and may occur any time thereafter. If a student's attendance is under 85% at the time of an unofficial review, the student will receive an attendance warning, which should be signed by both the student and the DSO, and a copy of this will be put in the student's file. Official attendance reviews occur every eight weeks and are taken cumulatively from the first date of study, minus approved vacations. Copies of all official reviews are placed in the student's file regardless of the attendance percentage. Students must sign the review if their attendance is between 85-80%.

***Unofficial Reviews:** Attendance below 85% will result in a written warning.

****Official Reviews:** Attendance below 80% will result in termination by the DSO in SEVIS

* In 5th week enrollment period** In the 9th week of enrollment period

- If a student is sick, s/he must contact the DSO immediately to arrange to provide appropriate medical documentation from a licensed medical physician, doctor of osteopathy, or licensed clinical psychologist in order to be considered. To reduce confusion, it is suggested that before seeing a doctor students check with the DSO to ensure the proper procedures are followed and correct signatures are provided.
- Students with F-1 visas who fall below 80.0% attendance at the time of their official attendance review will be immediately terminated by the DSO.
- Students are allowed to take 1 break per year but not more than 4 consecutive weeks at a time. Each break consists of 4 weeks and can be taken after 36 weeks of continuous study. Students must take 4 consecutive weeks of vacation at a time. Students will be required to pay tuition before returning from break.
- If students are away from the school more than eight consecutive class days, their I-20 will be terminated due to unauthorized withdrawal.
- If students plan to transfer to another school, they must provide the DSO with a transfer form and an acceptance letter from the new school. When students complete their studies at IAE, they have 15 days from the date of completion to leave the U.S.
- Students must notify the DSO when they plan to travel outside the United States or take a break. Students who do not attend class for more than eight consecutive class days without DSO approval can be terminated.
- DSOs at all times must adhere to SEVP policies and regulations.
- Late Arrival Policy
- The official class start time is 9:00AM. If you enter the classroom after 9:00AM you are late. You may come in to the classroom until 9:15AM, however, if you are late to class three times, you will be marked absent in one of the classes. If you arrive to class at 9:16AM you will not be allowed to enter the class until the first break

School Conduct Policy

The International Academy of English wants to provide the best possible learning opportunities for all students. Cooperation and respect among students and teachers builds a positive learning environment. To encourage and maintain this environment, IAE will take action against any disruptive behavior that occurs in class or anywhere on the school grounds.

“Disruptive behavior” means conduct which prevents other students from learning or from doing the required schoolwork. Words or actions which prevent the instructor from meeting the needs and goals of the class are also disruptive. Any action or word intended to hurt an instructor, another student, or school property is disruptive behavior.

The following is a list of some behaviors that are disruptive and therefore *unacceptable* at IAE:

1. Showing disrespect or lack of courtesy towards teachers, staff, or other students.
Some examples of such behavior are:
 - Refusing to complete assignments
 - Refusing to cooperate with teachers or other students in class work or outside assignments
 - Speaking on or using cell phones in the classroom
 - Using a laptop for something other than class work
 - Refusing to bring the required textbook and materials to class
 - Sleeping in class
 - Denying other students an equal opportunity to participate in class
 - Being disrespectful of another person's culture
2. Arriving late to class repeatedly or abusing the late pass system.
3. Repeatedly speaking one's native language during class.
4. Arriving at school under the influence of alcohol or drugs; using or distributing alcohol or drugs at school. No alcohol or drugs are allowed in IAE classrooms or on the school grounds.
5. Being violent. Any kind of physical violence or harassment will result in immediate expulsion from the program and must speak with a P/DSO immediately.

The actions and behaviors described above are unacceptable at IAE. A student who displays disruptive or unacceptable behavior, whether in his/her scheduled classes, on the school grounds or at any school-sponsored event, may be expelled from IAE and must speak with a P/DSO immediately.
