1. Welcome to the International Academy of English (IAE)

We hope you enjoy your time in San Diego, Irvine, Las Vegas, or Tampa as well as the time and effort you put forth at our school. We at IAE want to ensure that your time with us is as comfortable and productive as possible. Mastering the English language is a challenging task and IAE is honored to be a part of your educational goals. This student handbook is designed to help you acquaint yourself with the policies and procedures of the school. Also included is general information about the cities in which our campuses are located, Las Vegas, San Diego and Irvine, housing, parking, holidays and other useful information. Use the handbook for quick reference, but please feel free to ask an IAE staff member if you have further needs or questions. Below is IAE's mission statement, which includes our commitment to you as a student and our overall goal as an educational institution. We look forward to answering any questions you may have regarding our program, and wish you well in your studies. Again, welcome to IAE.

2. IAE Mission Statement

The mission of the International Academy of English is to provide non-native speakers with quality English language instruction to help them read, write, speak and understand English at increasing levels of proficiency. We prepare students to communicate effectively in English in a friendly and supportive learning environment.

3. Overview of Program

The International Academy of English (IAE) is an Intensive English program that offers five levels of instruction and a TOEFL Preparation course. Each level is taught throughout an 18-week term, which is subdivided into two 9-week sessions (Sessions A and B). Completion of all five levels takes 23 months. If students fail, they can go through the same level one more time provided they are making academic progress. The main objective of the Intensive English Program is to help students read, write, listen, and speak at increasing levels of proficiency so that they can fulfill their academic and professional goals. The intensive nature of the program requires focus, dedication, and effort on the part of both students and teachers. Some of our students have the objective of being admitted to undergraduate or graduate courses in colleges or universities. Students also want to learn English for professional reasons, such as getting a job or being promoted. Our primary instructional approach is skills-based as we place students according to their skill level, in which we offer specific classes to help students enhance their reading, writing, listening, and speaking skills. Our methodological approach is communicative since students learn the target language through interaction with their peers, teachers, and the outside community.

As for our TOEFL program, the main objective of the course is to prepare students to be successful in the TOEFL test and to be admitted to the college or university program they apply to. The TOEFL Preparation course is also offered throughout an 18-week term and students can choose to repeat the TOEFL Preparation course if they have not attained their goal on the TOEFL exam by the end of the class.

4. Placement & Orientation Procedures

Upon receipt of initial payment and necessary legal paperwork by IAE, students are given a placement test, which includes grammar, listening/speaking, reading / writing to determine their English language skills. Placement testing is done once per week. On the same day of placement testing, all new students are required to participate in a general orientation session to review several important topics such as schedules, books and materials, attendance policy, academic advancement, and other related matters. The importance of having health insurance while you are in the U.S. will also be stressed.

Based on the results of the placement test, students are enrolled in the appropriate level of instruction as determined by the IAE Academic Director, Site Director, Head Teacher, and/or other designated instructor. On rare occasions, students who feel they have been placed at an inappropriate level may be able to move up or down one level based on the teacher's recommendation, pending approval by the Site Director or Academic Director.

Students who left our school in good standing and are away for more than 5 months must retake the placement test upon their return. This applies to more than 5 months away from either country regardless of the campus to which they are returning.

5. Level Progression

IAE's programs run in 2 sessions of 9 weeks each. Students begin by taking a placement exam the week prior to beginning classes, and all new students begin their studies on Monday. The minimum enrollment period is four (4) weeks, and the maximum enrollment period varies, depending on the level of English skill the student arrives with, the English skill level students want to have when they leave, and the speed at which they progress through the program. Students who successfully achieve IAE's learning objectives are entitled to receive a "Certificate of Participation" when they leave IAE.

The exceptions to this requirement are in the TOEFL class. In order to ensure that all students are making satisfactory academic progress, a student may not remain in TOEFL for more than 4 academic sessions (2 cycles).

6. Academic Calendar

10. Program and Facility Information for Students

▪ Schedule Changes and Withdrawals

Any student desiring to change his or her class schedule must first obtain permission from the Academic Director, Site Director, or Head Teacher. Such permission is at the discretion of the school. Students on an I-20 must also contact the DSO in the event of any student status change.

▪ Appeals Procedures

Students who feel that they have been misplaced and/or their current program of study is not in line with their academic objectives may appeal to the Site Director and/or the Academic Director. In these cases, the Site Director and/or Academic Director will speak with the instructor and student individually and make a decision as to the best course of action for the student.

▪ Normal Academic Progress

In order to ensure all students are making satisfactory progress, all students are limited to two academic sessions (36 weeks) in each level, except under legitimate mitigating circumstances to be explained to the P/DSO. Students who begin the level in any other week after the first day of each session will take the course until reaches the 18th week of the session to be entitled to take the level exit exam.

Students enrolled in TOEFL preparation class, may not remain in TOEFL for more than 4 academic sessions

(36 weeks).

- **Completion of Program**

All students on F-1 visas are required to inform the P/DSO of their intention to complete their studies by the last day of their final period of study.

- **Vacation/Breaks**

Students can take 4 weeks break after they complete 18 weeks of studies (*one session*) and take the final exam of their current level.

If students are away from the school more than eight consecutive class days, their I-20 will be terminated due to unauthorized withdrawal.

If students plan to transfer to another school, they must provide the DSO with a transfer form and an acceptance letter from the new school. When students complete their studies at IAE, they have 15 days from the date of completion to leave the U.S.

Students must notify the DSO when they plan to travel outside the United States or take a break. Students who do not attend class for more than eight consecutive class days without DSO approval can be terminated.

Students are only eligible for the 60-day grace period if they complete the program (complete 18 weeks in Advanced level, pass final test or complete 18 weeks of TOEFL)."

If a student finishes during the 18-weeks of a level below Advanced, the student has 15 days to leave the country. If a student wants to transfer to another institution, they have to study until the Thursday before the new program starts unless they completed level 5 (Advanced) /TOEFL. The student cannot be transferred in ACTIVE status otherwise.

DSOs always must adhere to SEVP policies and regulations.

- **Computer Resources**

IAE students have access to computers with Internet access. Students can check their email or surf the Internet in their free time. Students are asked not to change the computer settings, use zip drives, download anything that violates copyright law, or open attachments in order to reduce the chance of a virus. In addition, student computers do not have printing capabilities.

- **Lobby/Kitchen Access**

Students of IAE are encouraged to take advantage of the facility's kitchen area, this includes a coffeemaker, refrigerator, microwave oven, toaster oven. Soda/snack vending machines, a refrigerator, a coffeemaker, microwave oven, and sink are available for students in all IAE locations. Students are welcome to bring their lunch and dine in the kitchen area. IAE asks only that students clean up after themselves and that they not leave food in the refrigerator over the weekend.

- **Student Services Committee**

Each term one student per class is chosen by the staff to represent the student body on a Student Services Committee to meet in Week 2 or 3. The committee's goal is to address student concerns about the site. In addition to the student representative, the committee includes the Site Director, DSO, and/or other members as determined by the Site Director.

- **Weekly Announcements**

Announcements are prepared for students to alert them to changes in school policies, important procedures, and upcoming events. These announcements may be printed out and/or emailed to students. For major changes to policies or procedures, the announcements will be read during class, as well. For all other announcements, they will be posted on Facebook and/or read aloud to the class. *IAE does not endorse any particular events.*

11. IAE Policies and Procedures

■ Attendance Requirements

Students must follow the rules of attendance as outlined by the school in the *Student Handbook*. Students may be marked as absent if they leave the classroom for personal reasons (e.g., for telephone usage) or without permission. If students refuse or are unable to participate (e.g., sleeping in class), they will be asked to leave the class and will be marked absent. Class participation includes attendance, homework completion, class projects, and writing assignments, as well as actual participation in class discussions/activities. Late assignments will be accepted at the instructor's discretion.

■ Late Arrival Policy

Students are expected to be in class on time. If they arrive within the first 15 minutes of class of the first class ONLY, they will be marked tardy. Three tardies within one week equal one absence. If they arrive after 8:15, they will not be allowed in class and will be marked absent for that class period. **IMPORTANT:** Students who arrive at 8:16 a.m. or later are not allowed into the class until after the break. Students are expected to be in class on time after any breaks. If they are late, they will only be admitted to the class during the first 5 minutes and ONLY at the teacher's discretion. If a student arrives to any class more than 5 minutes late after a break, that student will not be allowed into the class and will be marked absent. Our program meets the federal standard of 18 hours of instruction time as required for an F1 visa. In addition, frequently coming and going during class is disrespectful to your teacher and other students. *On rare occasions, students may need to leave class to go to the restroom, take medication, or other legitimate reasons (but not to use the phone or prolong a rest break). However, any student who is not in class for a total of 16 or more minutes will not be allowed to return. For example, a student who arrives 5 minutes late for the Reading/Writing class and then leaves in the middle of class for 11 minutes (for a total of 16 minutes) would not be allowed to reenter the class.*

IMPORTANT: Except under legitimate mitigating circumstances, if a student leaves the class early, s/he will be marked absent for the entire class period.

■ Tuition/Payment and Checking Accounts

All payments are due in full at the time of enrollment. Acceptable means of payment are:

- 1) Personal check made out for the exact amount (*Any check returned unpaid by the bank will incur a \$30.00 fee*)
- 2) Money order made out for the exact amount
- 3) Credit card (\$20 payment processing fee for charges of \$100 or more)

Four-Week Payment Structure

Tuition payment is due every 4th Thursday (every four weeks after starting date).

If tuition is not received by this deadline, a 10% fee will be added.

The program payment term is 4 weeks.

Continuing students who forget to pay their tuition are charged a late fee of 10% and are NOT allowed to attend class until tuition has been paid.

■ Refund Policies

IAE's tuition refund policy is as follows:

Student cancellation, *before* attending any classes or the level placement test is eligible for a full tuition refund, not including application fee and/or accommodation fees, overseas fee or courier fees.

Withdrawal from a course *before* the student has begun attending classes is eligible for a refund. There are no refunds for months in which a student has already attended class, though tuition paid for additional months in advance is eligible for a refund less any agent fees and/or discounts.

IAE reserves the right to cancel a class due to low enrollment or to refer a student to a different IAE campus if a level is being offered there. The same refund policies apply to classes canceled by IAE as those canceled by the student.

▪ **Student Reporting**

Each week, all students are evaluated by their teachers on a record that is referred to as an ISR (Individual Student Report). The student's teacher will state the current level of the student; scores on weekly assessments in reading/writing, listening/speaking and integrated grammar. This record will be used if the student asks for a reference or when another institution contacts IAE to obtain academic information about the student. The scores on the weekly assessments in reading/writing, listening/ speaking and integrated grammar will make up 50 percent of the final grade and the other 50 percent coming from the Final Course Exam. Although class participation attendance and homework assignments are not included in the calculation of the final grade, it is they are essential for determining whether students who fail a level will be allowed to repeat it.

▪ **Complaint Procedures**

Students are encouraged to speak with administration regarding any problems, questions, clarifications about visa status, etc., they may have. The Academic Director, Site Director, Head Teacher, and/or Student Services Director are all available for student assistance and guidance. For clarifications about visa status please see the P/DSO ONLY.

If you have a problem or complaint about a class, you should speak with the teacher first. If you are still not satisfied, make an appointment with the Head Teacher or Site Director. You may also see the Head Teacher or Site Director about general complaints or problems with your schedule. Additionally, there is a formal complaint form on the reception desk if you would like to submit a written complaint. The complaint form can be returned to the reception desk, to any administrative personnel or deposited in the suggestion box. The complaint will be addressed and a meeting will be scheduled to discuss and attempt to resolve the problem.

▪ **Smoking and Parking Policies**

Smoking is not permitted anywhere inside the building at IAE. However, students may smoke outside in designated areas. IAE asks that students use the provided ashtrays and trash cans to keep the area clean and fire safe.

Free parking is available in the parking lots outside the buildings.

▪ **Alcohol and Drug Policy**

The possession, use and/or sale of alcohol and/or drugs on any part of the school's premises or at any school-sponsored event are prohibited. Students using illegal drugs or alcohol on any part of the school's premises or at any school-sponsored event will be terminated from the school and/or referred to appropriate rehabilitation agencies. Students selling drugs on any part of the school's premises or at any school-sponsored event will be terminated from school and referred to the appropriate legal authorities for prosecution.

➤ **Prohibited Items**

Weapons. Any weapons, including firearms, BB guns, paint ball guns, pellet or "air soft" guns, bows and arrows, bullets or other ammunition, martial arts weapons, knives or any item that is a reasonable facsimile of the listed weapons. Possession of these items may result in the cancellation of your program agreement as well as additional disciplinary action.

Flammables/Explosives. Flammable liquids, harmful chemicals, photo chemicals, barbecue grills, charcoal, gasoline, explosives, flares, firecrackers, fireworks, and any other items that may be determined to be hazardous. Possession of such materials may result in the cancellation of your program agreement as well as additional disciplinary action.

▪ **Personal Property**

The school expressly disclaims all liability and responsibility of every kind and nature whatsoever for any loss, theft, damage, destruction, or other casualty to any personal property of any kind owned by any student, visitor, or other person. Students are advised and warned they must personally take full responsibility for the safekeeping of all their property on school premises and during any school activities. ▪ Medical Insurance

There are many risks associated with not having health insurance in the United States. Unlike many countries where health insurance is provided by the government, the United States does not guarantee medical coverage for any individual residing in this country, citizen or non-immigrant visitor alike. The costs of receiving medical attention without medical insurance in the U.S. are typically very high and can become a financial burden to an individual if extensive medical treatment is needed. Therefore, IAE strongly recommends that students obtain adequate health insurance for the duration of their stay in the U.S. For information purposes, here are three possible sources for insurance. Their inclusion here is not meant as a recommendation, and students may select any insurer they choose.

16. School Conduct Policy

The International Academy of English wants to provide the best possible learning opportunities for all students. Cooperation and respect among students and teachers builds a positive learning environment. To encourage and maintain this environment, IAE will take action against any disruptive behavior that occurs in class or anywhere on the school grounds.

“Disruptive behavior” means conduct which prevents other students from learning or from doing the required schoolwork. Words or actions which prevent the teacher from meeting the needs and goals of the class are also disruptive. Any action or word intended to hurt a teacher, another student, or school property is disruptive behavior.

The following is a list of some behaviors that are disruptive and therefore *unacceptable* at IAE:

1. Showing disrespect or lack of courtesy towards teachers, staff, or other students.
Some examples of such behavior are:
 - Refusing to complete assignments
 - Refusing to cooperate with teachers or other students in class work or outside assignments
 - Speaking on or using cell phones in the classroom
 - Using a laptop for something other than classwork
 - Refusing to bring the required textbook and materials to class
 - Sleeping in class
 - Denying other students an equal opportunity to participate in class
 - Being disrespectful of another person's culture
 - Cheating on tests or helping someone to cheat.
2. Arriving late to class repeatedly or abusing the late pass system.
3. Repeatedly speaking one's native language during class.
4. Arriving at school under the influence of alcohol or drugs; using or distributing alcohol or drugs at school. No alcohol or drugs are allowed in IAE classrooms or on the school grounds.
5. Being violent. Any kind of physical violence or harassment will result in immediate expulsion or termination from the program and must speak with a P/DSO immediately.
6. All test materials (including completed answer sheets and writing tests) are the property of International Academy of English. Test materials may not be photographed or copied in whole or in part. Test materials cannot be removed from IAE.
7. Recording teachers is not permitted under any circumstances.

The actions and behaviors described above are unacceptable at IAE. A student who displays disruptive or unacceptable behavior, whether in his/her scheduled classes, on the school grounds or at any school-sponsored event, may be expelled from IAE and must speak with a P/DSO immediately.

17. International Academy of English Attendance Policy

The International Academy of English (IAE) adheres to a strict attendance policy for all students enrolled and admitted to the United States to study on an F-1 visa. Students studying on an F1 visa are expected to attend 100% of their scheduled classes, 20 hours per week. Failure to maintain a minimum of 80% attendance will result in termination of student status by the DSO. Tuition is non-refundable if a student is terminated.

- Unofficial reviews occur at the end of the fourth week of study every month and may occur any time thereafter. If a student's attendance is under 85% at the time of an unofficial review, the student will receive an attendance warning, which should be signed by both the student and the DSO, and a copy of this will be put in the student's file.
- Official attendance reviews occur every nine weeks and are taken cumulatively from the first date of study, minus approved vacations. Copies of all official reviews are placed in the student's file regardless of the attendance percentage. Students must sign the review if their attendance is 85-80%.

***Unofficial Reviews:** Attendance below 85% will result in a written warning.

****Official Reviews:** Attendance below 80% will result in termination by the DSO in SEVIS

* In 5th week enrollment period

** In the 9th week of enrollment period

- If a student is sick, s/he must contact the DSO immediately and provide the appropriate medical documentation from a licensed medical physician, doctor of osteopathy, licensed clinical psychologist or dental professionals. To reduce confusion, it is suggested that before seeing a doctor students check with the DSO to ensure the proper procedures are followed and correct signatures are provided.
- Students with F-1 visas who fall below 80.0% attendance at the time of their official attendance review may be immediately terminated by the DSO.
- Students can take 4 weeks break after they complete 18 weeks of studies (*one session*) and take the final exam of their current level.
- If students plan to transfer to another school, they must provide the DSO with a transfer form and an acceptance letter from the new school. When students complete their studies at IAE, they have 15 days from the date of completion to leave the U.S.
- Students must notify the DSO when they plan to travel outside the United States or take a break. Students who do not attend class for more than eight consecutive class days without DSO approval can be terminated.
- DSOs must adhere to SEVP policies and regulations at all times
- Late Arrival Policy
The official class start time is 8:00AM. If you enter the classroom after 8:00AM you are late. You may come in to the classroom until 8:15 AM, however, if you are late to class three times, you will be marked absent in one of the classes. If you arrive to class at 8:16 AM or later, you will not be allowed to enter the class until the first break and you will be marked absent.

I have received, read, and understood the International Academy of English *Student Handbook*, School Conduct Policy, and Attendance Policy. I know that it is my responsibility to keep in accordance with these policies and that if I do not, that my I-20 is in danger of termination without notice.

I also understand that if my level of English proficiency is not to the point that I can understand this, then it is my responsibility to get someone to read this to me in my native language so that I can understand it.

I understand that if I move, I MUST update my current living address whenever there are any changes.

I also understand that if I am sick, I must contact the P/DSO immediately to arrange to provide appropriate medical documentation from a licensed medical physician, doctor of osteopathy, or licensed clinical psychologist in order to be considered as an excused absence. Failure to prove this documentation will result in absences, and possibly put my I-20 in danger.

Finally, I understand that I am responsible for knowing the policies and procedures of IAE and to follow them completely. If any policies or procedures change, it is my responsibility to check my email to ensure that I am aware of the changes. I do not have to sign a new waiver to account for the change in policy or procedure.
