

INTERNATIONAL ACADEMY OF ENGLISH

Tampa

Prospective Student Guide

MISSION STATEMENT

The mission of the International Academy of English is to provide non-native speakers with quality English language instruction to help them read, write, speak, and understand English at increasing levels of proficiency. We prepare students to communicate effectively in English in a friendly and supportive learning environment.

REGISTRATION PROCEDURES

Students Applying from Overseas – Initial Applicants:

Here are the steps required for an overseas student to register and obtain a Student VISA, which is required for non-US residents who attend the International Academy of English:

- 1- The student must fill out an application form (pages 4-5).
- 2- The student must provide a copy of a bank statement (either a checking or a savings account) showing a balance of a minimum of **USD 6,500.00** -(plus USD 2,600.00 per dependent) for the first academic term that the student wishes to enroll. *(Preferable in English).
- 3- A completed Statement of Financial Support form, identifying the source of financial funds during the student's enrollment period. This statement is required by the American Immigration authorities to prove that the student has enough financial support to cover expenses during the entire period of studies (page 8).
- 4- The student must pay an Application Fee of USD 95.00 -(plus USD 40.00 per each dependent's I-20)
- 5- The student must pay an International Booking Fee of USD 300.00
- 6- The student must pay a courier fee of USD 100.00 for expedited shipping services that will be used to send the necessary documents to apply for the student VISA
- 7- The student **MUST** provide a copy of his/her Passport.

After providing the items above, IAE will issue an I-20, which we will send along with the acceptance letter from the school.

The Immigration Services charges a "SEVIS fee" of USD 350.00 (a processing fee paid directly to the Department of Homeland Security), which is payable by the student via the website. Students must complete this process on their own, by accessing the website www.fmjfee.com. This fee must be paid at least 3 days prior to the student's appointment at the American Consulate.

The student should print out the receipt and take it to his/her appointment along with the I-20 package and any additional documents requested by the American Consulate in his /her country.

In case of a VISA denial, any preliminary fees paid (Application, International Booking, Courier), **will not** be refunded to the student, because these fees cover the costs involved in preparing the documentation.

*The Tuition and I-20 Registration Fees are due before classes start.
